

Internet Publishing, Photographs, and Videotape Permission Form

This form will be retained at school with your child's records. It will remain in effect unless you notify the director in writing that you wish to revoke this permission.

Internet Publishing

Salina Montessori School (SMS) may publish student work and/or student photographs on the SMS website for specific purposes. Personal information (i.e. mailing address or telephone number) will not be posted with your student's photo or work.

You must notify SMS in writing if you do not want your student's work or photograph used on the internet.

News Media

Newspaper or television media may from time to time photograph or videotape students for specific purposes. Personal information such as mailing addresses and telephone numbers of any student will not be printed, videotaped or broadcast.

You must notify SMS in writing if you do not want your student's work or photograph to be printed, videotaped or broadcast.

Parent and School Website

From time to time it may be necessary to publish student information on the private Facebook page for parents (the page titled "SMS Parents"). In order to allow this information to be shared within the SMS parent/teacher community, you must sign this form. It is important to understand that it will be located on a webpage that is blocked from public view and can only be accessed by the school or its designee granting a request for access.

You must notify SMS in writing if you do not want your student's information published on this page.
